INFLUENCER MARKETING

Influencer marketing is increasingly becoming a necessity for marketers. Collaborating with influencers can help create online buzz about your brand. In addition, it can strengthen your brand's reputation, improve audience engagement, and increase conversions. {65000 to 5crore}

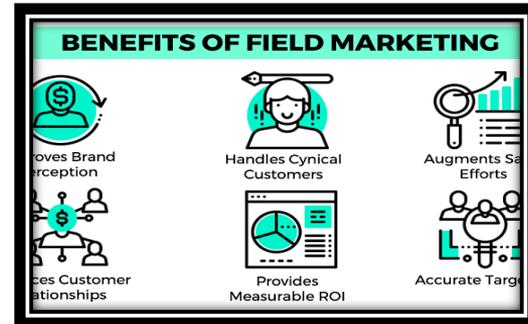

- 1) 80% of marketers find influencer marketing effective.
- 2) 71% of marketers rate the quality of customers and traffic from influencer marketing as better than other marketing sources.
- 3) 89% of marketers say influencer marketing ROI is as good or better than other marketing channels.
- 4) For every \$1 spent on influencer marketing, businesses end up making about \$18 making it a profitable way to get sales.

ONFIELD MARKETING

IMPORTANT OF FIELD MARKETING

Field marketers are expected to get in front of customers to experience the product/service and offer promotions to help facilitate the decision process. Field marketers are effectively salespeople but with more responsibility in interfacing with customers and providing decision making in specific marketing areas.

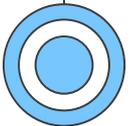

CANOPY ADVERTISING

When you're out there promoting your business at a trade show or when staging your own promotional event, a branded canopy works wonders. A branded canopy allows you to customize precisely what it is you want to promote – include your brand name, logo, and color scheme of your choice to communicate to prospective customers exactly what your business is about

LEAFLET MARKETING

Leaflet Distribution can potentially increase the success of any company as it helps in globalizing the brand

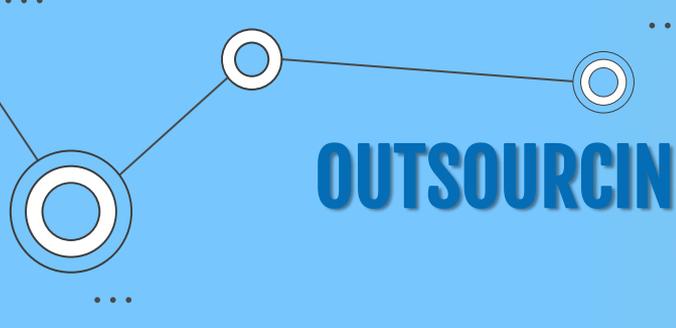

OFFLINE MARKETING

BEST PACKAGES OF OFFLINE MARKETING

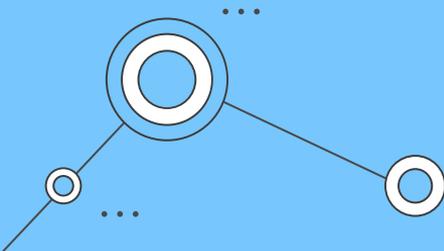

Many years ago, the internet we are so used to did not exist and therefore things like marketing used to be done only offline. The main strategy of offline marketing is to use offline media channels to create awareness of products and services
